Frauen* Volksbegehren

Over a million people in Austria are not allowed to take part in elections or to sign formal petitions because of their legal status as non-citizens. Together with SOS Mitmensch and other partner organizations, we have decided to set an example against this exclusion from basic democratic rights!

On SEPTEMBER 15, the International Day of Democracy, a symbolic collection of signatures for the Austrian gender equality petition will take place – in polling station throughout Austria or via mail.

**For real democracy.
For real self-determination.
For all of us.**
